Mary Riley, CNPC's Founder and Director, received the CTPC designation in 2011.

Your soul mission is your reason for being, your life purpose. It's your calling in life--who you feel called to be, what you feel called to do. Mission is an energy that flows through you--a drive, voice, or passion that you cannot ignore.... It's what you know in your heart you must live if you are to experience inner peace and harmony.

--Alan Seale, founder and director, Center for Transformational Presence

The Center for Non-Profit Coaching (CNPC) provides coaching services at low cost to individuals and organizations from the not-for-profit sector. Coaching services support individuals who want to be at their best and extend that “best” to partnering with their clients in support of their organizations’ missions. Everyone wins when “being” and “doing” become aligned. Coaching supports the journey of

- moving forward
- identifying what wants to happen
- getting “unstuck” from circumstances that hold us back

Coaching allows a safe, confidential space for clients to explore, to access and to manifest their potential on behalf of themselves *and* others.

CNPC Certified Coaches

Our coaches provide programs and services for CNPC on a volunteer basis. They have graduated from coaching programs accredited by the *International Coach Federation (ICF)* or have pursued ICF accreditation through a portfolio process. All CNPC coaches follow the *ICF Code of Ethics*, located at <http://www.coachfederation.org/ethics/>
